Work/Location _____

Depth of surface _____ Work Start Date: _____

Will detour be necessary: _____ Roads involved _____

The undersigned hereby applies for a permit from Cedar Lake Township to above work stated.

Date: _____ Applicant's Signature: _____

This application is hereby approved for granting the work to be done as described in the above application with the following requirements:

1. Notification of Road Overseer, Rob Puncochar @612-499-3103 upon completion of work.
2. Flags, flares and/or barricades shall be erected to protect traffic and persons.
3. No Staging of Construction Materials or debris on Road or Road right of Way (State Statute 160.2715)
4. Must use protective wood blocking barriers between and under Trailer Jacks and Rear Ramp
5. Traffic to be allowed to pass at all times. If not possible, suitable detour must be provided.
6. All necessary municipal permits must be obtained.
7. All cables, pipes and wires will be placed approximately 30' to 33' from the center of the road, unless other arrangements are made in advance with the road Overseer, Rob Puncochar at 612-499-3103
8. Underground construction must not destroy root growth of trees and/or shrubs.
9. Installation of pipe under roads may require boring/jacking if requested by the township.
10. All backfilling to be ¾ minus limestone placed in 6' layers and thoroughly tamped and must be flush with road surface when finally, in place.
11. Bituminous surfaced roadways shall be restored to original condition.
12. No tractors or equipment with lugs shall be driven on bituminous surfaced roads without planking to prevent damage to the mat.
13. Roadside to be cleaned up after completion of work.
14. If the township shall make any improvement or changes on all or any part of its right of way upon, over, under or along the township road, then and in every case, the applicant herein named shall after notice from Cedar Lake township proceed to alter, change, vacate or remove from the township road said works necessary to conform with said changes without cost whatsoever to Cedar Lake Township.
15. An escrow account needs to be set up with the Cedar Lake Township, if any large utility work will be done.
16. A 50.00 fee along with (\$1000.00 restoration escrow that will be refunded when project is completed or may be rolled over for future projects) must be paid to Cedar Lake Township, before work begins.
17. Additional fee for damaged roads will apply.
